

Akademy Press Kit

Dear reader,

This is the press package for Akademy, the annual meeting of the worldwide KDE community.

Akademy 2010

Akademy 2010 is taking place in Tampere, Finland. At this event the international KDE community gathers to meet face to face, discuss plans for the future, and to create better free software.

This Press Kit

In this press kit you will find information about the KDE community and the Akademy conference. It includes general statistics and information about the KDE community, information on this year's event program and links to further information

Further Questions

We hope you find the enclosed information useful and enjoy Akademy and meeting the KDE community. If you have any questions, feel free to contact our marketing team, contact details can be found below!

Greetings,

The KDE Marketing Team
